

When the love comes trickalin' down

Spititual / Arr. Gwyn Arch

Brother, you ought to be there,
Brother, you ought to be there,
Brother, you ought to be there,
When the love comes trickalin' down.

When love comes down.

Sister, you ought to be there,
Sister, you ought to be there,
Sister, you ought to be there,
When the love comes trickalin' down.

When love comes down.

Go seek, and ye shall find,
Knock, knock, knock, the door shall be opened,
Just you ask and it shall be given
When the love comes trickalin' down.

Seek! Ye shall find

*Just ask, it shall be given
When love comes down.*

Father, you ought to be there,
Father, you ought to be there,
Father, father be there,
When love comes trickalin' down.

*Tellin' you father, father, be there
Father, you ought to be there,
When the love comes down.*

Go seek, and ye shall find,
Knock, knock, knock, knock, the door shall be opened,
Just you ask, it shall be given
When the love comes tricklin' down.

Seek! Ye shall find

*Just ask it's giv'n
When love comes down.*

Oh brother,
Mother, you ought to be there,
Oh mother, mother, be there,
Father, mother, be there!
When the love comes tricklin', tricklin', tricklin',
Love comes tricklin' down.

Oh, sister

when the love comes tricklin', tricklin' down.
