

# Hallelujah I just love him so

**Ray Charles**

Let me tell you 'bout the boy I know  
He's my baby and I love him so  
ev'ry mornin' 'for the sun goes up  
he brings me coffee in my favorite cup  
That's why I know, yes I know  
Hallelujah, I just love him so

When I'm alone and have no friend  
I know she'll stay with me until the end  
Ev'rybody asks me how do I know,  
I look at them and say: she told me so  
That's why I know, yes I know  
Hallelujah, I just love her so

When I call him on the telephone  
and tell him that I'm all alone  
just before I count from one to four  
I hear him at my door

In the ev'ning when the sun goes down  
when I'm alone and no one else's around  
she kisses me and she holds me tight, she says:  
Baby ev'ry thing's allright  
That's why I know, yes I know  
Hallelujah, I just love him (her) so

Let me tell you, oh let me tell you, oh let me tell you, oh let me tell you, oh let me tell you  
You are my baby now, You are my baby now, You are my baby now, Hallelujah, I just love him so  
Let me tell you, oh let me tell you, oh let me tell you, oh let me tell you, oh let me tell you  
Hallelujah, I just love him so

You're my baby, You're my baby, You're my baby,  
You are my baby now, You are my baby now, You are my baby now,

When I call him on the telephone  
and tell him that I'm all alone  
just before I count from one to four, I hear him at my door

In the ev'ning when the sun goes down  
when I'm alone and no one else's around  
she kisses me and she holds me tight, she says:

Baby ev'ry thing's allright  
That's why I know, yes I know  
Hallelujah, I just love him (her) so  
Hallelujah, I just love him (her) so  
Hallelujah, I just love him (her) so

Yeah!
