

Mercy Mercy Mercy

Josef Zawinul

Mercy ua dup da ba,
Mercy ua dup da ba,
Mercy ua dup da ba,
ua da ba da

ua-dup da ba da ba-i-dup,
ua-dup da ba da ba-i-dup

It seems live has played a game on me
I'm lost in a sea of misery
My love has turned away from me
Heartache why won't you let me be

Baby have some mercy
please don't make me beg on bended knee, oh please
Mercy Mercy Mercy please – have mercy on me
Mercy Mercy Mercy please

How can I face live without you
What would I do if we were through

Uadup ba ba ba dup – Uadup ba ba ba dua dup
Uadup ba ba ba dup – Uadup ba ba ba dua du - up

I wait for you ev'ry single night
hoping you'll return and make things right
you don't show and I'm left all alone
to pray you'll call me on the phone

Baby have some mercy
please don't make me beg on bended knee, oh please
Mercy Mercy Mercy please – have mercy on me
Mercy Mercy Mercy please

You know I love you, I'm begging
for one more chance, one chance, one chance
