

# Beatles In Revue

Aah

## Day Tripper

Got a good reason  
for taking the easy way out  
Got a good reason  
for taking the easy way out now  
She was a day tripper  
one way ticket, yeah  
It took me so long to find out  
and I found out

## A hard day's night

It's been a hard day's night  
and I've been working like a dog  
It's been a hard day's night  
and I should be sleeping like a log  
But when I get home to you  
I find the things that you do  
will make me feel all right  
you know I feel all right  
you know I feel all right

## Can't buy me love

Can't buy me love, love  
can't buy me love  
I'll buy you a diamante ring my friend  
if it makes you feel all right  
I'll get you everything, my friend  
if it makes you feel all right  
'cause I don't care too much for money  
for money can't buy me love  
can't buy me love, love  
can't buy me love

## Ticket to ride

I think I'm gonna be sad  
I think it's today, yeah  
The guy that's driving me mad  
is going away  
He's got a ticket to ride  
he's got a ticket to ride  
he's got a ticket to ride  
but he don't care  
He says that living with me  
is bringing him down, yeah  
for he would never be free  
when I was around  
He's got a ticket to ride  
he's got a ticket to ride  
he's got a ticket to ride  
but he don't care  
Don't care  
Think I'm gonna be sad  
Think I'm gonna be sad

Think I'm gonna be sad  
Think I'm gonna be sad  
Ooh

## She loves you

You think you've lost your love  
well, I saw her yesterday  
It's you she's thinking of  
and she told me what to say  
She says she loves you  
and you know that can't be bad  
yes, she loves you  
and you know you should be glad, ooh  
She loves you, yeah yeah yeah !  
She loves you, yeah yeah yeah !  
She loves you, yeah yeah yeah !

## All my loving

Close your eyes and I kiss you  
tomorrow I'll miss you  
remember I'll always be true  
and then while I'm away  
I'll write home everyday  
and I'll send all my loving to you  
All my loving I will send to you  
all my loving I will send to you
